PROFESSIONAL EXPERIENCE

Vicimus

Dec 2017 - Present

Front-End / Full-Stack Developer

- Built and maintained production web experiences across dealership websites, internal platforms, retention campaigns, and event systems.
- Developed reusable front-end components and CMS templates using Angular, TypeScript, JavaScript, SCSS, HTML, PHP, and Laravel Blade.
- Delivered UI work for Glovebox, Bumper, Bumper Events, BDC Dash, PM Dash, Sales Dash, and related internal reporting tools.
- Created responsive page layouts, vehicle listing/detail experiences, contact and RSVP flows, dashboards, charts, filters, and branded OEM campaign templates.
- Supported long-term product iteration with maintainable code, design consistency, production bug fixing, and practical SEO-aware implementation.

PROFILE

- Angular-focused developer with a strong front-end eye and practical full-stack experience.
- Comfortable shipping polished UI, maintainable code, and real production features.
- Native French and fluent English for team communication, documentation, and client-facing work.

CORE SKILLS

FRONT-END

Angular, TypeScript, JavaScript, HTML5, SCSS, CSS3, Bootstrap, responsive UI, component architecture, interaction polish.

PRODUCT WORK

Dashboard interfaces, CMS templating, campaign systems, forms, page performance, maintainable production code, technical SEO foundations.

SELECTED WORK

GLOVEBOX CMS

Built reusable components and front-end patterns used across dealership website builds and ongoing platform updates.

BUMPER CAMPAIGN PLATFORM

Developed OEM-flexible PURLs, email templates, and print-ready campaign systems for retention marketing.

BUMPER EVENTS

Helped build the front-end event flow, responsive RSVP experience, and polished single-page interactions used in production.

INTERNAL PLATFORMS

Built authenticated dashboards from the ground up for reporting, workflow support, and live business operations.

INDEPENDENT CLIENT WORK

Designed and launched public-facing websites for local businesses including Off the Wall Sisters and North Shore Advertising.
